Graduation & Honor Your Teachers

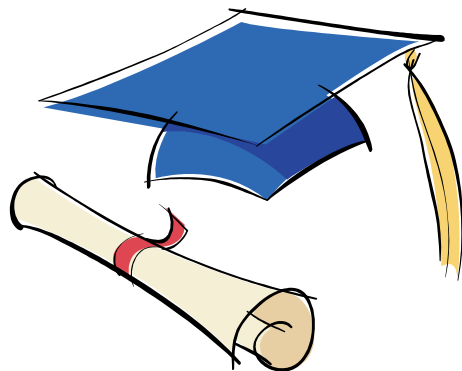

Another school year is rapidly coming to an end. That means that it will not be long before students throughout the area and the nation will be graduating from high school and college.

Graduation ceremonies are always a proud moment in the life of students and the families.

I believe it is important for we the members of Prince of Peace to recognize and congratulate all members of our parish family who will be graduating this year. So that we do not miss any one, I ask that you email or call the parish office with the name(s) of those members of our parish family so that we can at least get their names in the bulletin.

Also, as we approach the end of another school year, it is important for us to recognize, honor, and express our deepest appreciation to all members of the “teaching profession”, both those who have served as “church school teachers” and those who teach in the elementary schools, high schools, and colleges in our area. We the members of your parish family thank you and honor you for being willing to follow in the step of the One who was first called “Rabbi” or “Teacher” by His followers. May God bless you!

- *Father Jim*

We are planning an outing to the 1:00pm showing of this new movie on Sunday, May 18 at RC Theaters in Wilkes-Barre. Everyone is invited to attend! Please sign up in the Parish Hall or contact the Church Office. A discussion of the book/movie will be held on Sunday, May 25 following the 10:00 am service for anyone who would like to attend.

THE LAYING-ON-OF-HANDS FOR HEALING

“The Laying-On-Of-Hands for Healing” is now offered at the 10:00 AM service during communion.

The Gospels tell us that in most of the “healing miracles” He performed, Jesus touched those whom He healed. Yes, there were cases where healed people “from a distance”, without touching them. But in most cases he touched them. Our Christian faith teaches us we His followers are to continue His healing ministry. We are to “hold the sick up before Him by names in our prayers” and we are to touch them.

We know from experience that there is healing power in the human touch. No doubt, we can all think of times in our lives when we have been healed, in part at least, by the touch of another person, and of other times when we have helped heal others by touching.

So, during communion, Chris Sutton will be at the rear of the church, near the Baptismal Font to offer the Laying-On-Of Hands for Healing. You are invited to go to her, either before or after you have received communion. Tell her what kind of healing you want. She will then lay her hands on your head and offer a prayer to our Lord for you. When she has concluded her prayer for you, simply return to your seat.

Please note four things. First, this is something you are “invited” not “required” to do. Second, even if you do not need to be healed, you are invited “to bring a friend or loved one” to Chris, simply by telling her the person’s name. Third, understand that the healing the Lord gives you may be either instantaneous or gradual. Finally, understand that the Lord, out of his loves for you will give you the kind of healing He thinks you need most, which may or may not be the kind of healing you think you most want. But the Lord will make His healing presence know to your in your life in some way.
