This Morning—Dress Down & Stay to Help!

Thank You to everyone who is staying after church this morning to finish mulching the church yard and to work in the Memorial Garden.

CHURCH SCHOOL CLASSROOMS INPUT REQUESTED. Vestry has discussed the current, multiple, upstairs, downstairs locations of the church school classrooms and is interested in continuing a conversation about the best way for relocating the Grade School and Preschool rooms to one dedicated place upstairs. We would like to better utilize the space that is currently seldom, if ever used, throughout the year - the little chapel. . Moving the children to dedicated classrooms will enable all Sunday School teachers to have dedicated space for storage of materials, displays, give the children a consistent, safe and very public environment and a sense of belonging and inclusion with the adult community. The chapel can become 2 classrooms with little work. Furniture currently occupying this space will be distributed in the appropriate space throughout the church. Plans for this area are hopeful for the new school year in the Fall. If you have any input **please submit your opinion in writing** to Father Major or Carl Goeringer, Sr. Warden or George Gwilliam, Jr. Warden, by June 15th so that your input may be included in upcoming discussion at June's Vestry Meeting.

WELCOME We are pleased you have come to worship with us today. If you have any questions about our service, please feel free to speak to an Usher or someone seated near you.

REFLECTION *"All of them look to you to give them their food in due season. You give it to them...you open your hand and they are filled with good things"* How's that for a faithful steward's reason to always and everywhere give thanks? God gives us everything we have – how can we thank Him adequately except by returning a faithful share of all those gifts to Him and to others in His name?

BISHOP'S DAY FOR KIDS! Saturday, July 10th at Good Shepherd Episcopal Church, Scranton. Contact Fr. Major for registration. Open to all youth who have completed grades 1-5 with parent or guardian chaperone. May be able to car pool. This is a great youth group event for this age group. The Gospel according to Dr. Seuss? Games, stories and conversation with The Bishop! We'll wonder about what's what and who's who!
