## April's Theme: Lap Tap Clap Snap Revolution

Piano can be a lonely instrument... until you add an aspect of collaboration. But collaboration doesn't always need to mean four hands, one piano. *The Lap Tap Clap Snap Revolution* introduces a whole new way of making music as a twosome! Using body percussion (lap slapping, tapping, clapping and snapping), we will hone our rhythm skills, accompanying abilities, sense of underlying beat and much more!

## Performing Opportunities

This year's Spring Recital date has been changed to Saturday, May 26<sup>th</sup> @ 1:00pm at Prince of Peace Church. Please mark your calendars and invite your family and friends!

There will be a new performance opportunity this spring at the Manor Care in Kingston, which is similar to the recitals we have had at the Meadows Nursing Home. I am hoping to have this scheduled sometime in May. If you are interested in this, please let me know.
